

## Hiking Information

Destination (from visitor center)	Distance (miles, round trip)	Difficulty	Description
Arch Point	2	Moderate	Great views and wildflowers in season.
Elephant Seal Cove	5	Strenuous	View elephant seals from steep cliffs.
Sea Lion Rookery	4	Moderate	View seal lions as they haul out on the coast.

- Portions of trails are subject to closure when pelicans are nesting from January - August.
- Hikers must stay on island trails to protect vegetation, nesting seabirds, and for visitor safety.
